

Expand digital presence | Overview of customer journeys for Eurobank

Preliminary

 Detailed next

Platform	Channel	Product	Customer journey	Outcomes	Pricing	No rationale for pricing variation vs. ERB cash loans, due to journey initiation on Car.gr
	C2C (i.e., individual listings)	Cash loan	E2E digital: leveraging current Eurobank digital cash loan underwriting process, after customer redirection from Car.gr	Approval, counter-offer or rejection (no difference vs. current cash loan underwriting process)	Differentiated based on customer profile , with preferential rates for ERB customers	
	B2C (i.e., dealers' listings)	A Auto loan, with pre-approval	Hybrid: starting on Car.gr, followed by digital “full credit underwriting” on Eurobank (i.e., customer authenticated on Gov.gr for automatic retrieve of personal data; downpayment and asset data prefilled via APIs) and finalization at the physical dealership	• Pre-approval (>80% of customers): - full pre-approval (i.e., customers meeting full credit underwriting requirements) - conditional pre-approval (i.e., remaining customers not flagged as “blacklisted”) • Hard rejections (i.e., “black-listed” customers)	Tailored to dealer's commercial terms	
		B Auto loan	E2E digital: starting on Car.gr, followed by fully digital credit underwriting on Eurobank	Approval, counter-offer or rejection (no different vs. current auto loan underwriting process)	Tailored to dealer's commercial terms	
	B2C	Auto loan	E2E digital: starting on Cardom, followed by fully digital credit underwriting on Eurobank	<i>N/a for discussion – agreed with partners</i>		
	B2C	Auto loan	E2E digital: embedded into Toyota Finance systems			

High-level B2C customer journey for Eurobank on Car.gr

Preliminary

● Online step on Car.gr ● Online step on Eurobank ● Physical step at dealership

Key principles of Car.gr B2C journey

- Drive **lead generation** for **partner dealers** (e.g., >80% pre-approvals)
- **Restrict dealer referrals** to customers with **“black-file” status only**
- For **ready-to-buy customers**, offer **E2E digital auto loan option** (via customer journey B)
